Sculptures Trail Lultzhausen

4 km 1,5 h ●○○

In summer 1999, six international sculptors fashioned their stones on-site, adapting them ideally to the landscape around the reservoir.

📍 Pedestrian Bridge

Éislek Pad Insenborn

10 km 3 h ●●○

The water that always accompanies you on this tour will catch your eye - from the Insenborn beach and especially from the *Belvédère Burfelt* viewing platform.

ES 7 Insenborn

7 km 2 h ●●○

During this walk you will cross a bridge 30 metres above the water. The trail follows a side arm of the Upper Sûre Lake where the little stream *Ningserbaach* flows into the lake.

Belvédère

1,8 km from the bus stop to the platform

The *Belvédère Burfelt* panoramic platform towers 70 meters above the Upper Sûre reservoir, offering breathtaking views of the lake.

📍 Belvédère

Natur Pur? Pont-Misère

7 km 4 h ●●●

Explore the nature reserve *Pont Misère* and learn how nature shaped the landscape while exploring diverse habitats with unique flora and fauna.

📍 Nature Reserve

Éislek Pad Boulaide

11,4 km 3,5 h ●●○

Along the hiking trail, you'll discover several spots with stunning views of the reservoir. Afterwards, you can visit the cozy village of Boulaide.

📍 Expo "Our common heritage"

BL 5 Baschleiden

9 km 2:30 h ●●○

This hike takes you through two picturesque municipalities: Boulaide and Lac de la Haute-Sûre.

📍 Tempelskamp

Éislek Pad Bavigne

10 km 3 h ●●○

Your hiker's heart will be delighted with the small paths along the Upper Sûre Lake and its beautiful views.

📍 Pre-dam

LH 5 Liefertange

7,5 km 2:30 h ●●○

This hike offers many scenic views of the reservoir and the stunning Burfelt area.

LH 3 Liefertange

5,5 km 1:30 h ●●○

This trail leads through forested areas, providing a pleasant, shaded walk. However, at higher points along the way, you can still enjoy wide, open views of the surrounding landscape.

Auto-Pédestre Kaundorf

8,5 km 2:30 h ●●○

The *Auto-Pédestre* Kaundorf trail starts at the village edge, leading through the forest to the Runtshelt viewpoint with stunning views of the Upper Sûre reservoir.

📍 Bunker

Schumannseck Remembrance Trail

2,8 km 2 h ●○○

Schumannseck is an important site that commemorates the Battle of the Bulge in the Grand Duchy. Life-size silhouettes, taken from archive photos, tell the story of the Battle at themed stations.

📍 National Liberation Memorial

The Upper Sûre Nature Park is Luxembourg's water region, supplying 80% of households with drinking water from the Upper Sûre reservoir.

Discover the area's beauty on well-marked hiking trails with diverse reservoir views. A bus conveniently connects you to stunning trails just steps from the stops. Let the adventure begin!

Hofnarr Esch-sur-Sûre

2,7 km 1 h ●●○

Get a first impression of the picturesque little town of Esch-sur-Sûre. The path starts in the centre of the village at a small bridge.

📍 Castle

Circuit du Lac eastern part

17 km 5:30 h ●●●

At the heart of the Upper Sûre Nature Park, the eastern part of the *Circuit du Lac* offers an unforgettable hiking experience.

📍 Dam

Jardin de Wiltz

The Jardin de Wiltz is a 2.5-hectare living work of art featuring winding paths, lush plantations, terraced landscapes, water features, and sculptures. Created with the help of local artisans, artists, and associations supporting people with disabilities or in need, it reflects a spirit of inclusivity and creativity. Currently, the Upper Sûre Nature Park is enhancing the garden to make it more insect-friendly, further enriching its biodiversity and ecological value.

📍 10, Gruberbeerig, L-9538 Wiltz

Prabbeli

The Prabbeli (Luxembourgish for “umbrella”) is a socio-cultural centre offering a wide range of cultural, leisure, and educational activities. It features a cinema, gallery, café and restaurant, alongside concerts, exhibitions, theatre, workshops, and more to engage a broad audience in Wiltz and the region. The cultural management of the Prabbeli also organises the “Festival de Wiltz” and the “Nuits des Lampions”, two major cultural events in Luxembourg.

📍 8, Gruberbeerig, L-9538 Wiltz

National Brewing Art Museum

This charming microbrewery is one of the smallest in the world, brewing a diverse range of beers with a capacity of up to 50 liters. Want to try your hand at brewing? Join a one-day seminar (with prior reservation required) where expert brewers will guide you through the beer-making process—and of course, you’ll get to taste different types of beer on the spot.

📍 35, rue du Château, L-9516 Wiltz

www.biermuseum.lu

Cycle path Wiltz-Bastogne

From Wiltz via Winseler to Bastogne – cycle along the former railway track to Belgium. The history of the cycle trail is explained by means of information panels, especially around Winseler. The route is perfect for a family outing. Numerous rest areas can be found along the trail, so nothing stands in the way of a carefree picnic.

Duchfabrik

Anyone who enters the cloth factory in Esch-sur-Sûre suddenly feels transported back in time. The smell of sheep’s wool hangs in the air, coupled with the unmistakable odour of old machinery. “Duch vum Séi” (cloth from the lake) is still produced here. In addition to conventional blankets and scarves, a wide range of modern products are also made, such as sleeves for tablets, bone-shaped reading cushions and small cosmetics bags. These can be purchased in the on-site store. The perfect place to buy some very special, regional gifts for your loved ones.
